MY BROTHER AND I

My brother is just a year older than I am. (I'm 18.) We have a lot of things in common. We look alike. I am 5'10", and so ^{is he} he is. I have straight black hair and dark brown eyes, and so does he. We share some of the same interests, too. I love to play soccer, and he ^{does} too. Both of us swim every day, but I can't dive, and ^{neither} either can he.

Although there are a lot of similarities between us, there are also many differences. For example, he likes eating all kinds of food, but I ^{do} don't. Give me hamburgers and fries every day! My brother doesn't want to go to college, but I don't. I believe it's important to get as much education as possible, but he wants to get real-life experience. Our personalities are quite different. I am quiet and easygoing, but he ^{is} not. He has lots of energy and talks a lot. When I think about it, we really are more different than similar.
